

Hello and welcome to the **Parents and Friends** page of the St Johns Lutheran School website!

The Parents and Friends (P&F) Group runs within the guidelines of the school charter and is there to support parents and guardians, in particular, of school children in a social way.

We aim to have a few activities throughout each school year. Keep an eye on the school newsletter for upcoming events!

The other main function of the P&F is to run the school Fete each May on the Saturday before Mothers Day. This is not only a major fund raiser but also an opportunity to work alongside other parents/guardians and present our school to the community.

Not a lot of Primary schools have a similar event, and St Johns is well known for its pre-Mothers Day Fete. May 10 is the date for 2008!

If you have any queries about St Johns Parent's and Friends, please contact Mark Evans at mbevans@iprimus.com.au or call on 0403 348657.

The current members of the P&F Executive are:

- President – Mark Evans
